Winkler Senior Center is a nonprofit organization that provides opportunities for older adults to experience a positive and dignified retirement lifestyle in their community.

We are looking for the very best people to be a part of our volunteer (unpaid) team. If you want to serve your community in a lasting meaningful way, consider joining us.

Our current need is in both of our kitchens with each volunteer working one day a week. Our services run Monday through Friday for lunch.

Kitchen Positions:

Winkler & District Multi-Purpose Senior Centre offers a noon congregate meal program at the Senior Centre and at Cedar Estates Common Room 5 days a week, Monday through Friday.

Kitchen Volunteers – shift from 8:00-2:00

Duties include: Serving with a team to help cook and prepare meals, washing dishes, making coffee/tea, helping clear tables etc. This position requires being on your feet for a while. Lunch is provided.

Volunteering at the Winkler Senior Centre also requires that a criminal record check be preformed and a vaccination declaration to be filled out.

Visit our website volunteer page at <http://www.winklerseniorcentre.com/volunteers.html#/> to view our brochure or contact our Volunteer Coordinator Joanne at joanne@winklerseniorcentre.com for more information.
